The chronic provider you have chosen determines how you get your chronic prescription and medication, as follows:

Any: You may get your chronic prescription and medication from any provider, subject to your option specific formulary.

Associated: You must get your chronic prescription from an Associated GP and your chronic medication from Medipost, subject to a Core formulary.

State: You are effectively removing your chronic benefit. If you do have a chronic condition, you will need to self-fund the cost of the medication.
